

# Axis Property Manager Release Notes

Created: 8/10/2004 13:57:41

Id	Bug Status	Bug Created	Curr Version	App Component	Bug Resolution	Bug Description	Release Notes
Release Version: 3.0.25							
121	RESOLVED	07/13/2004	3.0.21b	*General Applicator	FIXED	Added building GUI to the room admin module	New maintenance page that associates buildings with room numbers has been added to the maintenance window.
119	RESOLVED	07/06/2004	3.0.21b	Comments	FIXED	Parsing may drop a character for comments longer than 255 in comments window.	Fixed when assembling comments. Now a single character is not dropped.
111	RESOLVED	06/04/2004	3.0.21b	Condo Module	FIXED	Description on a Micellaneous Charge for Condo Module	The Acacia requested a change to show description on the charges for Condo Bills. This is now completed.
123	RESOLVED	07/29/2004	3.0.21b	Customer	FIXED	Delete customer does not delete email addresses	The delete customer functionality did not delete the email addresses as well. That is now fixed.
89	RESOLVED	04/05/2004	3.0.20b	Email and Word Doc	FIXED	Allow user to email any document from customer window	The user can now email any document from the customer window. Also, there is a new main menu item under "administration" which allows the user to email from there as well.
115	RESOLVED	06/15/2004	3.0.21b	Email and Word Doc	FIXED	Subject and note text email lines email standard text, not changed text	When the user updated the subject and note text fields on the email page, the default text would always get sent to the email receiptent. This is now fixed.
124	RESOLVED	07/29/2004	3.0.21b	Email and Word Doc	FIXED	Allow customized email subject and notetext	Can now customize the subject and notetext for reservation emailing. The change is available under the maintenance window.
112	RESOLVED	06/12/2004	3.0.21b	Group Module	FIXED	When moving rooms part of a group bad results on group admin page occurred	If the user reserves rooms for a group and then moves the rooms somewhere else, the counts on the group admin page were getting messed up and will show that certain rooms are reserved (which are not), and the real reserved rooms are hidden behind a different room type (with duplicates). This is now fixed.
110	RESOLVED	06/02/2004	3.0.21b	Rates	FIXED	Copy branch fails on copying rates	When copying a branch from the rate window it was possible for the action to fail to copy the new rates over. This is now fixed.
122	RESOLVED	07/14/2004	3.0.21b	Receivables Tabpage	FIXED	Failure when adding a new receivable type	There was a bug when adding a new receivable type. That is now fixed.
68	RESOLVED	01/30/2004	3.0.15	Reports	FIXED	Report: Charge Ledger By Room Won't Accept "All Rooms"	Charge Ledger By Room has a dropdown value of "All Rooms". Previously, if the user selected this no data appeared. This is now fixed.
70	RESOLVED	01/31/2004	3.0.20	Reports	FIXED	New Room Revenue Report	There is a new room revenue report. This report will breakdown room revenues by motel, building, room type, and floor. There is also a new maintenance window that allows the user to associate the rooms with buildings.

Id	Bug Status	Bug Created	Curr Version	App Component	Bug Resolution	Bug Description	Release Notes
Release Version: 3.0.25							
96	RESOLVED	04/05/2004	3.0.20b	Reports	FIXED	Shift Report Changes	Shift report has been modified to allow the user the ability to select whether they want walk-ins, check-ins, advanced deposits, or refunds to be shown on the report.
116	RESOLVED	06/18/2004	3.0.21b	Reports	FIXED	Checkin report doesn't show number of check-ins	We have added a choice on the report criteria window for the checkin report which will allow the user to either run the report with the checkins disappearing or staying on the report. Whatever rows are displayed on the report will be totaled on the bottom.
117	RESOLVED	06/18/2004	3.0.21b	Reports	FIXED	Comments need to be removed from checkin report	We have added a choice on the report criteria window for the checkin report which will allow the user to either run the report with the comments disappearing or staying on the report.
118	RESOLVED	06/18/2004	3.0.21b	Reports	FIXED	Refunds on daily report and shift report should move to a column instead of a row	Shift report now shows refunds as a column instead of a row.
120	RESOLVED	07/13/2004	3.0.21b	Reports	FIXED	Added new level of report comments	Added a new comment type of report comments so that the user can edit theirs and not change the standard description of the reports.
