

Axis Property Manager Release Notes for Release 3.6.5

Created: 01/27/2009 12:28 am

Bug Id	Bug Status	Bug Created	Curr Version	App Component	Bug Resolution	Bug Desc	Release Notes
Release Version: 3.6.5							
996	RESOLVED	01/13/2009	3.5.5	*General Application	FIXED	Implement Room Split	There is a new tabpage on the room admin which allows the user to setup room splits for the building. This will allow the application to programmatically block rooms when adjoining rooms are rented as one big room.
Release Version: 3.7.0							
1001	RESOLVED	01/26/2009	3.7.0	*General Application	FIXED	Added Phone Types to Preferences Window	You can now add phone types in the preferences window. If you want to remove certain phone types you can do so by deleting them. If you try to delete them the program will check to see if it is being used in the application. If so, it will not allow you to delete them.
998	RESOLVED	01/23/2009	3.6.5	*General Application	FIXED	Logon Icon Doesn't Close All Windows	
1000	RESOLVED	01/26/2009	3.7.0	Customer	FIXED	Added White Pages Lookup to Customer Phones	You can now do a reverse phone lookup through the customer window. On the left side of the phones section you will see an information icon. After adding a phone number you can click on the icon and it will lookup the phone number on whitepages.com and give back the home address and name information. From here the user can click on a listing id and the name and address information will automatically be filled in.
999	RESOLVED	01/23/2009	3.6.5	Misc Charges	FIXED	Enhanced and Changed Misc Charges	
995	RESOLVED	01/13/2009	3.5.5	Reservation Detail Tabpage	FIXED	Initial deposit is not deleted when deleting reservation	This is now fixed
962	RESOLVED	11/12/2008	3.5.0	Room Chart	FIXED	Connect multiple rooms if the unit has a door	This is now implemented and noted in the 3.6.5 manual
Release Version: 3.7.5							
1004	RESOLVED	01/26/2009	3.7.0	*General Application	FIXED	Added Edit Customer Button to Quick Reservation from Chart	This button allows the user to edit the customer associated with a new reservation.
1003	RESOLVED	01/26/2009	3.4.0	Create Reservation	FIXED	Smoking Box and Reservation Made Get Reset On Reservation Creation	If the user created a new reservation and typed in the reservation made date and smoking box, and then picked a room and rate these two fields would get reset. This is now fixed.
1002	RESOLVED	01/26/2009	3.7.0	Create Reservation	FIXED	Moved Estimated Arrival Dates to Reservation Creation Screen
