

# Axis Property Manager Release Notes for Release 4.9.8

Created: 05/31/2010 09:20 am

Bug Id	Bug Status	Bug Created	Curr Version	App Component	Bug Resolution	Bug Desc	Release Notes
<b>Release Version: 4.9.8</b>							
1206	RESOLVED	05/31/2010	4.9.7	Reports	FIXED	People Count in Building Changed	The people count report has been moved to the daily area of reports and renamed to Inhouse Guest Report so it can be run by front desk people. The report can also be sorted on the sorting menu.
1211	RESOLVED	05/31/2010	3.7.5	Group Module	FIXED	Couldn't update group rate amount for Front Desk Manager Role	If a front desk manager user was logged in, they could not update the rate amount for group reservations on the reservation creation window. This is now fixed.
1207	RESOLVED	05/31/2010	3.7.5	Reports	FIXED	Added new check-out report that only shows people left to check out. It is under check-in check-out menu	
1209	RESOLVED	05/31/2010	3.7.5	Reports	FIXED	Added master cleaning schedule to reports menu	This new report is the same as the existing one except that it doesn't page break at all.
1210	RESOLVED	05/31/2010	3.7.5	Bill Tabpage	FIXED	Changed folios so that 2 cars can now be placed on the bottom of the folios. It will default to 2 rows if no cars are assigned, and will show all cars at the bottom if they are assigned. Removed the car information from the body of the print.	
1203	RESOLVED	05/05/2010	4.9.7	Group Module	FIXED	Group Reservation Extra Person charges get messed up	When adding extra person charges at the group level it would create incorrect charges. This is now fixed.
1202	RESOLVED	05/03/2010	4.9.7	*General Application	FIXED	check sort on check in report so can sort by both	Check-in report is now in 2 versions under reports, one that is sorted by room number and one that is sorted by last name. The report can not be sorted after it has already been run as other reports can because it is a composite report containing other reports in it, but now there are 2 versions.
1212	RESOLVED	05/31/2010	3.7.5	Reports	FIXED	Added room number to custom meal report	
560	RESOLVED	09/19/2007	3.2.4	*General Application	FIXED	Registration Cards - Room Number should be date order	Room numbers will now be shown in date order if the customer is moving.
1180	RESOLVED	03/27/2010	4.5.0	*General Application	FIXED	Set permissions on merging for new cust search functions. Don't let everyone merge.	Now only managers and owners can merge customer names.
1208	RESOLVED	05/31/2010	3.7.5	*General Application	FIXED	Removed ability to delete reservations except for managers and owners	Only managers and owners can delete reservations now
<b>Release Version: 4.9.7d</b>							
1197	RESOLVED	04/22/2010	4.9.7	Quick Checkin Window	FIXED	Quick checkin printer dialogue doesnt do anything	Printer Dialogues were messed up and would not switch printers easily. This is now fixed.
<b>Release Version: 4.9.7c</b>							
1201	RESOLVED	04/27/2010	4.9.7	Customer	FIXED	Reverse phone lookup now activated by pushing f5 key	
1200	RESOLVED	04/27/2010	4.9.7	Customer	FIXED	Quick zip lookup on customer window now activated by pushing f5 key	
1199	RESOLVED	04/27/2010	4.9.7	*General Application	FIXED	Unprocessed internet reservations window keeps popping up with no results	
1198	RESOLVED	04/23/2010	4.9.7	*General Application	FIXED	Print Dialog doesn't change printers	
<b>Release Version: 4.9.7b</b>							
1196	RESOLVED	04/21/2010	4.9.7	Quick Checkin Window	FIXED	Quick Checking window won't print confirmation with letter layout setting.	Fixed now
